All families will need to create a new account.

If your participant has played hockey before (either in Jordan or another association), they will have an existing account already. So please click "Register an existing participant".

New to hockey, click "Register a new participant". Please follow all steps and pay attention to what needs to be uploaded. You will need to have your participants birth certificate, and your driver's licence ready to be uploaded. Registration is not complete without these uploaded.

We will not be chasing anyone this season!

At this stage, if you are a non-Lincoln resident you will need to email Sarah Wismer before registering. Even if you played with Jordan Minor Hockey last season.

IMPORTANT: When searching for your participant and multiple accounts pop up, please select the 1st one listed!

The screenshot shows a 'Search participant' window with the following fields and results:

- Search by HCR #**: Input field containing 'ex: 4563485965'.
- Or**: Separator between search methods.
- First Name ***: Input field with a blue redaction box.
